

EXHIBITOR PACKET

Saturday, April 30, 2022
An Annual CME Event

DoubleTree Lafayette

1521 W Pinhook Rd
Lafayette, LA 70503

Why?

This exceptional event draws more than 50 physicians from around the state of Louisiana. As an exhibitor at Jambalaya, you will be able to visit with the physicians in an intimate setting at LITE. There are only a handful of exhibit spots available to ensure that our exhibitors will have the undivided attention from our fine-tuned audience.

Who?

Pediatric Jambalaya is an integrated educational program for pediatricians, pediatric specialists, and family/general practitioners. Content is appropriate for other healthcare professionals, including registered nurses.

How?

Door Prizes

Pediatric Jambalaya attendees will have a chance to win door prizes. But, there is a twist! In order for the attendees to be eligible to win a prize, they must visit with each of our exhibitors and have the representative of the booth sign off on their door prize card. We want to give a little extra encouragement for our attendees to visit with our exhibitors. Exhibitors are welcome to donate prizes for the drawing.
